OLD

From the edge of the old city of Delhi, a rickshaw took me through narrow streets filled with shops selling flowers, spices and textiles, to Sisganj Gurdwara, the Sikh Temple, and to Jama Masjid, the impressive Mosque that visually dominates Old Delhi. Evidence of the rich history of this monumental city is everywhere, particularly visible in the faces of the people going about their daily existence.

Victor Politis

DELHI

Depuis les abords de la vieille ville de Dehli, un rickshaw me conduit à travers les ruelles bordées de magasins de fleurs, d'épices et de textile, jusqu'à Sisganj, le temple Sikh, et à Jama Masjid, l'impressionnante mosquée qui domine le Vieux Delhi. L'énorme richesse de cette ville monumentale est visible partout, plus particulièrement dans les visages des gens au quotidien.
